

Mommy and Me Musicals frog

## Rich Frog Taps into Beatlemania

**R**ich Frog Industries introduces an old favorite with an interesting new beat—its line of plush Mommy and Me Musicals. Available in four styles—a frog, a duck, a bunny, and a lamb—each plays a different tune from the Beatles. Songs include “Here Comes the Sun,” “Yellow Submarine,” “And I Love Her,” and John Lennon’s “Imagine.”

Springtime hits early this year with the arrival of Rich Frog’s A Rose Is a Rose line. The plush animals come perched inside the roses’ soft petals. The **Red Rose** comes with a frog, the **Blue Rose** is paired with a duck, and the **Pink Rose** has a bunny.
